TIARA

Published by

THE STUDENTS OF
PIUS X HIGH SCHOOL
HOLLYDALE, CALIFORNIA

under the devoted protection of our Beloved Patron, St. Pius X, solemnly canonized on the day of the dedication of our dear Alma Mater, May 29, 1954 . . .

"Supported by the power of God, we pronounce that we know for our Pontificate no other program than that of renewing all things in Christ, that Christ may be all in all . . . The interests of God are our interests, and we will use all Our power to defend them. The motto which will govern all Our acts will be, 'To restore all things in Christ.'"

St. Pius X, **E Supremi Apostolatus**

WE, THEREFORE, THE GRADUATES OF '55

Affectionately Dedicate

to you, our most renowned Patron, our first Tiara.
We implore your special guidance and humbly beg
you so to be our inspiration that we, too, may have
no other aim than to

RESTORE ALL THINGS IN CHRIST —
to bring CHRIST to all and all to CHRIST.

His Eminence,
FRANCIS JAMES CARDINAL
McINTYRE,
Archbishop of
Los Angeles

To the Students
of
PIUS X HIGH SCHOOL

As I learn of the most gratifying progress being made in your school, I am very thankful to Almighty God.

It is consoling, indeed, to know that the education you are receiving at the Pius X High School will stimulate your faith and encourage you in the practice of virtue that will bring to your lives an abundant share of God's blessings.

Praying for you all blessings, I am,

Faithfully in Christ,

ARCHBISHOP
of
Los Angeles

Spiritual Leaders

We sincerely appreciate the deep and continued interest of our beloved Cardinal and Bishops in our school. It is through their profound understanding of the needs of modern education that our school has been so magnificently constructed and so completely fitted with the best and newest equipment.

Most Reverend
JOSEPH A. McGUICKEN, D. D.,
Auxiliary Bishop and Vicar General

Most Reverend
TIMOTHY MANNING, D. D.,
Auxiliary Bishop and Chancellor

Right Reverend Monsignor
PATRICK J. DIGNAN,
Superintendent of Schools,
Archdiocese of Los Angeles

Consecrated to Guide

It is a proud distinction to be a graduate of the school named for the great saint whose motto was "To restore all things in Christ." All the doctrine of Our Divine Saviour may be reduced to that great mission. To cause this magic twentieth century to return to the center of Christian consciousness and the Christian life is the only effective way to bring a solution to the fearsome problems that beset us.

Though so young, Pius X High School bids fair to become one of the largest in our Archdiocese. It has established a splendid school spirit, and offers a well-rounded curriculum.

Its first graduates will, in a special way, establish the reputation of the school. Their alma mater has a right to expect from them the integrity of life, the devotion to duty, the well-ordered Catholic life, and the earnest patriotism which it has so faithfully taught them. We pray upon them God's choicest blessings in the years that lie ahead.

... through Proper Evaluation of History

The purpose of this book is to provide a comprehensive and accessible history of the United States, from the early colonial period to the present. It covers the major events, figures, and movements that have shaped the nation, and offers a critical evaluation of the historical record. The book is written in a clear and engaging style, and is suitable for both students and general readers. It is a valuable resource for anyone interested in the history of the United States.

The book is divided into four main sections, each covering a different period of American history. The first section covers the early colonial period, from the first European settlements to the American Revolution. The second section covers the period from the Revolution to the Civil War. The third section covers the period from the Civil War to the end of the 19th century. The fourth section covers the period from the beginning of the 20th century to the present.

The book is written in a clear and engaging style, and is suitable for both students and general readers. It is a valuable resource for anyone interested in the history of the United States.

Mater Dei pitcher

This year Pius X undertook its second year of baseball. Although its record was not too outstanding, it showed much improvement over last year's history.

Our resources are strong, and with our new Coach, Benny LaFever at the helm, Pius X should rank high in high school baseball circles.

At the top of the players' list are Wayne Ferris and Don V. Smith, who led in the hitting department. Next on the list is Jack Schwabl, who has had a good season pitching. In the infield John "Whitey" Martin and John Sentell have handed in a brilliant defensive record as John Barnick and Tony Dodero have done in the outfield.

Acknowledgment

We are indeed in the presence of a **TIARA**. To reach it
Felix has had to deal with the two principal "rivals" of the
papacy: the Emperor and Cardinal. Each person of interest in this story is well
known. Then there is the interest of a deeper kind. Felix's struggle
will be a success if it will save everything of the past, save not with-
out its life. Nor must we forget the past of the Church, its discipline
and vigilance we have been led to Pius X in which they take such a
deep interest.

We thank all the students and all the members of the faculty for their
 photographs. Our special thanks are due to Sister M. Ignatius, D M J, without
 whose ceaseless patience, motivation, and interest, we should have been in
 trouble many times.

Finally, the editors wish to express their sincere gratitude to Mr. Louis Bartolo of the Los Angeles Engraving Company whose kind interest and most helpful and understanding suggestions made our work so much easier. To Mr. and Mrs. Chris Myron we owe a tremendous debt of gratitude for their very beautiful photographic service, the basic element in an annual. Our thanks are also due to the S. K. Smith Co. for their fine technical work on the TIARA cover and to the Index Co. for their splendid binding. And thank you, you good patrons and you trusting advertisers for having had so much confidence in us while waiting so long for our annual to see the light!

Sincerely,

DOROTHY M. PHARIS,
Editor-in-Chief
